Dear Mr. Oxley

Thank you for your letter and landowners questionnaire dated November 2018. Please find our response enclosed.

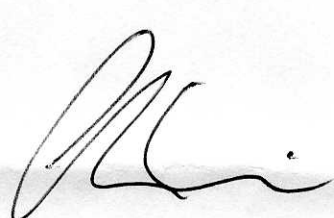

We are taking this opportunity to formally re-state the answer to one of the questions, as we would like a response which we believe you are legally obliged to give.

Why exactly are Landowners, who are not New Buckenham residents, being excluded from any vote on the proposed Neighbourhood Plan, when this plan could affect us all? This does not appear to be either democratic or inclusive.

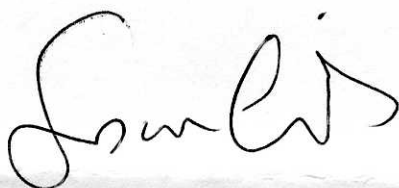

Could you please direct us to the publicly available documents that are relevant to the change in the Parish Boundary, where the Castle and associated grounds and buildings were moved from the control of Old Buckenham to New Buckenham.

Many thanks.

Yours sincerely,

Colin Giles
