Q4 What do you dislike about living in New Buckenham?

Answered: 247 Skipped: 52

#	RESPONSES	DATE
1	Public transport Lack of public transport	11/8/2017 6:22 PM
2	conservatism A changing populous which appears to think the village should never grow when it clearly has. Scaremongering and false, exaggerated information being published to gain support against development. Some people who prefer to look backwards, claiming almost museum status which is allowing opportunities of the future to be blocked and overshadowed by the past, which is really selfish protectionism. Crowding ever more houses into gardens and promoting the view that growth is somehow fatal to the future of the village.	11/8/2017 6:17 PM
3	conservatism Traffic How fast the traffic is and how busy the road is. After several attempts at getting involved with various projects i.e. New Year's walk etc. Getting ignored by locals who say you have to live here 30+ years until you are accepted	10/18/2017 10:47 AM
4	Mobile and broadband Traffic Noise from traffic seeping through the village Tractors and lorries forcing their right of way How can I live so close to the phone exchange and not get fast broadband Lack of signal	10/18/2017 10:18 AM
5	The nasty people	10/18/2017 10:08 AM
6	Pavement Pot holes Unmade roads Pavement gardens	10/18/2017 9:30 AM

15	Nothing	10/17/2017 5:07 PM

214	Housing This is not a dislike but there is nowhere else to put it on the form as there sometimes are no comment boxes in the places I would like to make a comment. Could we give some consideration to new family housing (ie neither for couples nor expensive 4 bedroomed houses)? It would be good if any new building could be in a style that enhances the village, this is not the same as reflecting the local style (whatever that is). Regarding the question 'should any new building be within the village boundary' does this mean the area edged red on the map? I would like to think our generation enhances the village not merely preserves it. We want to avoid both the possibility of inappropriate development but also of preservation at all costs so future generations are left with a relic rather than the vibrant community we enjoy.	8/30/2017 8:15 PM

Q7 Which new activities or facilities could be brought to the village?

#	RESPONSES	DATE
1	Youth club	11/8/2017 6:22 PM
2	Smaller housing should be encouraged, to provide modern well insulated, energy/ fuel efficient dwellings. these need not be in prime sites as developers prefer to use these for more profitable larger houses. Growth must therefore be allowed which will allow older folk to downsize and younger people to have small starter homes. Encouragement should be given to 'Self Build' which is promoted by the Self Build Act. The provision of such housing will encourage turnover of housing whilst allowing people to stay in the village.	11/8/2017 6:17 PM
3	Chip shop (2 shops are empty) Cafe There is a double decker bus at Mulbarton and it is always busy. Surely this could help the village	10/18/2017 10:47 AM

8	With thousands of new homes and residents in Attleborough we should try to encourage historical and environmental visits. Bike parking facilities would encourage cycling visitors as would larger communal parking areas.	10/17/2017 5:33 PM
9	Doctor's surgery	10/17/2017 5:24 PM
10	I really don't know as they would still need financing/fundraising and input from the community and it's difficult to maintain those we already have.	10/17/2017 5:18 PM
11	Zumba and yoga	10/17/2017 5:07 PM
12	Activities for the active elderly: day centre/luncheon club/craft session once a week. Parent and toddler group. Using the church more as a venue for music or exhibitions to prevent its closure. In addition to the fund raising gratefully received from the Art exhibition and the fete, a year round 'Friends of St Martin's' to support this. Evening classes - adult education, U3A.	10/17/2017 5:06 PM
13	Play group for parents, children and childcare providers to attend More fitness classes in village hall village tea room/coffee shop Nature walking groups	10/17/2017 3:14 PM
14	See answers above Village on fibre optic internet. Not only in the road only, fibre to be supplied to the house. Free to village hall, cricket field, sports field etc. Will also help older people to live at home because family can check up remotely	10/17/2017 2:48 PM
15	New Buck and area business contacts/focus groups get together. So many 'home' businesses in the village but no-one knows about them. We could be pooling knowledge and helping to teach each other.	10/17/2017 11:53 AM

20	Gourmet cookery classes in village hall. Art classes. Let's have a fish & chip van! Village party/picnic on the green to make occasional use of this unique space. Best kept village. Ompetition. Encourage people to look at possibly joining NGS. Bells are now ringing in church, what about bel, ringing classes? Dance classes- tango is great.	10/15/2017 5:23 PM

31	I am a big fan of agriculture, the countryside and wildlife. In some way, maybe have lectures and possibly courses; maybe films that would appeal to the younger generation and students of the mentioned above. After all these themes are Norfolk's most valuable assets. And use the village hall for at least some if not all lecture, courses, films (expenditure will have to be looked into).	10/13/2017 12:42 PM

155	Parent & child activities at the village hall	8/21/2017 8:38 PM
156	I think the only thing not on offer on our village is a parent and child group. Overall we have a good amount of activities and great facilities.	8/21/2017 9:30 AM

167	Tea room	8/17/2017 9:18 PM
168	Youth club	8/17/2017 2:40 PM
169	The village hall provides a good venue with the potential for a wide range of activities if residents showed an interest and were prepared to organise something. With the number of children in the village some form of youth club would be beneficial. Small industrial units would also bring new people and new skills to the village. Expanding the use of the playing field with an all-weather tennis court, and a changing room that teams could use would also greatly encourage expansion of sporting activities.	8/17/2017 11:53 AM
170	Youth clubs for 11-16 year olds Junior theatre club	8/16/2017 11:26 AM

#	RESPONSES	DATE
1	Keeping the Parish Council minutes up to date on the website. Pressing ahead with better phone signal provision asap.	11/8/2017 6:17 PM
2	New blood By reintroducing new blood to Parish Council and all other things going on in the village. It always seems to be the same people maybe that's why some of us are treated like outsiders and don't feel welcome. Therefore we don't try any more	10/18/2017 10:47 AM
3	Social media/FB Advertise the FB group. Majority of people use FB - the most effective way to let the people know what is going on, issues, events etc	10/18/2017 10:21 AM
4	Flyers/posters Not sure: not everybody has Facebook, even lots of younger people I know, so probably carry on with posters/flyers and word of mouth.	10/17/2017 7:54 PM
5	Mobile signal Better mobile signal	10/17/2017 7:45 PM
6	Club/grp initiatives Perhaps 3 or 4 welcoming do's for the various activities a year	10/17/2017 5:52 PM
7	Communication not the problem - inclination is the difficulty; people are just too busy or worn out by their ordinary lives to help with events	10/17/2017 5:40 PM
8	Notice board Better sited village notice board in more prominent place in addition to Parish Council Board in Church Street.	10/17/2017 5:35 PM
9	You must have a good organiser. I have done it but much too old now. Only 86.	10/17/2017 5:26 PM
10	Social media/FB Nowadays probably 'on line' and email.	10/17/2017 5:19 PM
11	Don't know	10/17/2017 5:08 PM
12	Flyers/posters A central notice board for 1 of everything rather than using telegraph poles. A weekly/monthly 'what's on' sheet as in Old Buckenham. Welcome pack for newcomers: The Villager, current Parish News, 6 Villages, current programmes for societies.	10/17/2017 5:08 PM
13	Social media/FB More use of Facebook etc Getting all clubs and groups linked through the New Buckenham page	10/17/2017 5:02 PM
14	Social media/FB I love New Buckenham Facebook and think this is a great idea of keeping up to date. I think this could be used more to tell others about events and activities	10/17/2017 3:18 PM
15	Club/grp initiatives Parish News Review and update Parish News and Parish meetings. This includes positions, who seem to be held for a long time by the same people	10/17/2017 2:52 PM
16	Village website The website for the village needs a lot more input. It is hours of work and a part-timer paid to do it might be a good idea so that the village could specify what is required of its digital persona and find a skilled operative to achieve it. This is not a job for an occasional volunteer. In a digital age this is too vital a feature. The village newsletter needs more up to date articles and fun stuff. Should be possible in colour but most particularly needs a better, more reader friendly lay out.	10/17/2017 11:53 AM
17	Club/grp initiatives Offer free trial sessions for teams and clubs. Advertise more widely. Showcase events more often, like art, sports games, theatre.	10/16/2017 8:08 PM
18	Satisfied It is a very friendly village: I don't see how communications could be improved.	10/16/2017 7:48 PM
19	Social media/FB Email newsletter??	10/16/2017 6:44 PM
20	Satisfied The big signs of the green are good.	10/16/2017 10:44 AM
21	Satisfied Communications are already very good.	10/15/2017 4:51 PM
22	New blood Given that a number of folk would not necessarily be inclined to more participation for various more valid reasons. Some fresh, younger blood is needed to inject 'different' perspectives into councils and committees welded to the "we've always done it like this" viewpoint.	10/15/2017 4:42 PM
23	Social media/FB Village website More of an online presence.	10/15/2017 1:46 PM
24	Satisfied I think that all areas have been facilitated but ultimately they are only as good as the people reading or using them.	10/15/2017 1:40 PM

25	Village crier - potentially with a bell.	10/15/2017 1:16 PM
26	I don't know	10/15/2017 1:09 PM

29	Questionnaires	10/15/2017 10:06 AM
30	Satisfied I think they are well covered.	10/13/2017 6:23 PM
31	Satisfied It's all there.	10/13/2017 12:52 PM
32	Satisfied I think most types of communication are there in one aspect or another; just encourage people to use them more often to participate.	10/13/2017 12:45 PM
33	More exciting maybe	10/13/2017 12:31 PM
34	With reference to Q6, a small tea room overlooking the Common would improve local communication and relations. The view would be a unique selling point.	10/13/2017 12:12 PM
35	No opinion	10/12/2017 4:17 PM
36	Social media/FB Greater use of social media.	10/12/2017 1:02 PM
37	Social media/FB Pretty good as is.	10/12/2017 12:55 PM
38	Social media/FB Village website I think communication is pretty good. I would like to see more use of the New Buckenham facebook page. I think online is better as it uses less paper, but appreciate that it's easier to miss.	10/12/2017 12:48 PM
39	Didn't know about website or Facebook.	10/12/2017 12:27 PM
40	Satisfied I think on the whole it is very good.	10/12/2017 10:21 AM
41	Social media/FB Branch out social media to include Twitter and Instagram.	10/12/2017 10:03 AM

46	Flyers/posters Make sure flyers get around everywhere	10/11/2017 8:19 PM
47	Parish News Satisfied Village website I think the Parish magazine is excellent and the website very informative.	10/11/2017 8:14 PM
48	Flyers/posters Social media/FB Village website Use of online platforms more eg social media and websites to engage younger audiences. Flyers/posters could be spread across the community to ensure people are made aware of events	10/11/2017 8:10 PM
49	Social media/FB Village Facebook page. Village email list.	10/11/2017 8:06 PM
50	Flyers/posters More flyers for social events	10/11/2017 8:01 PM
51	How ever much you advertise, or it's by word of mouth, people will only come if they are interested.	10/11/2017 7:57 PM
52	Club/grp initiatives Combined clubs/societies to one media centre or magazine	10/11/2017 7:45 PM
53	Flyers/posters More flyers	10/11/2017 7:43 PM
54	Flyers/posters More flyers	10/11/2017 7:37 PM
55	Information levels are high.	10/11/2017 7:32 PM
56	Let people know when Parish Council meetings are by putting a flyer through the door...may	10/11/2017 7:19 PM

attend then!!! Want to ensure the character and views of the village are protected for future generation. We are unique let's keep it that way.

57	Better use of the "Parish News". Old and outdated	10/11/2017 6:46 PM
58	N/A to us	10/11/2017 6:34 PM
59	Update the Parish News with new info and a new fresh layout, as the current styling is boring to read. It is also primarily made up of adverts, which again make it less exciting to read. The younger generation also don't really use Facebook, so maybe a New Buckenham Twitter or Instagram page would be a good way to advertise to teenagers.	10/11/2017 6:18 PM
60	No information	10/11/2017 5:28 PM
61	More notice boards	10/11/2017 5:19 PM
62	I feel that communications within the village are satisfactory	10/11/2017 5:12 PM
63	Planning applications to go in Parish News	10/11/2017 5:02 PM
64	Well advertised already	10/11/2017 4:49 PM
65	I think they are sufficient but we could get together much more regularly in an informal way	10/11/2017 4:43 PM
66	A community meal in the village annually	10/11/2017 4:30 PM
67	More info on the FB Page, at the moment it's more shop advertising than info	10/11/2017 4:17 PM
68	Getting people working together on new ideas builds relationships and conversations Many village tasks are undertaken by a few- maybe there's a need to spread the work/ownership of village life I think the village does pretty well at keeping people informed and inviting contributions	10/11/2017 3:59 PM
69	Word of mouth is good here. Also this encourages dialogue so you can meet and support/ get to know each other better	10/11/2017 3:38 PM
70	Leaflet the village frequently to advertise events more and ASK for assistance in running/organising events. Find ways to adapt to changing times and values. Advertise all the village websites/facebook page.	10/11/2017 3:17 PM
71	I don't k, we are quite busy and varied in our occupations	10/11/2017 3:17 PM
72	Wifi access Mobile signal (could have text info)	10/11/2017 3:06 PM
73	More fliers Phone signal	10/11/2017 3:04 PM
74	All seems to work efficiently. New notice board will be ore helpful when installed rather than masses of posters.	10/11/2017 9:53 AM
75	Inclusion of sports section in Parish News giving fixtures which would encourage people to spectate	10/11/2017 9:23 AM
76	Continued development of Facebook Page	10/11/2017 9:16 AM
77	Is there a Facebook page?	10/11/2017 8:59 AM
78	Communication isn't the problem, participation is.	10/11/2017 8:00 AM
79	You have a lot of information but how do you get people to participate - the old question.	10/11/2017 7:40 AM
80	To have someone in the village who knows the local area well and knows what's going on and where and can be contacted for this information	10/11/2017 7:24 AM
81	Tried everything - too much apathy	10/10/2017 7:21 PM
82	I think there are enough/plenty of opportunities for people to get involved	10/10/2017 2:51 PM
83	The above covers it all	10/10/2017 2:40 PM
84	Village Facebook group	10/10/2017 2:32 PM
85	Better phone signal	10/10/2017 2:23 PM
86	Getting a phone signal	10/10/2017 2:17 PM

87	Open days and more leaflets	10/10/2017 2:10 PM
88	All is good very happy	10/10/2017 1:48 PM
89	Quite good	10/10/2017 1:41 PM
90	More posters around village and in the shop	10/10/2017 1:33 PM
91	Not sure	10/10/2017 1:19 PM
92	They are already very good	10/10/2017 11:46 AM
93	Encourage Facebook page	10/10/2017 11:33 AM
94	Improved mobile phone contact	10/10/2017 11:16 AM
95	Set up a Facebook page and add all younger generation of the village aged 15-35 and off a meeting about e.g. mobile phone signal. A wider opinion would have been submitted and in my opinion we would have had a mobile phone mast	10/10/2017 10:47 AM
96	Nothing to improve	10/10/2017 10:16 AM
97	Do not know	10/10/2017 10:02 AM
98	I think communications are very good, no improvement required	10/10/2017 9:56 AM
99	Don't know	10/10/2017 9:33 AM
100	Think it has to be online. Need younger people who are committed/tech savvy	10/10/2017 9:31 AM
101	Make people more aware of websites above.	10/10/2017 8:51 AM
102	Town Crier!	10/10/2017 8:45 AM
103	It is hard to say. We have Parish news, website, posters, flyers.	10/9/2017 7:05 PM
104	No idea	10/9/2017 3:45 PM
105	I think one perennial problem is that the same civic-minded group of people tend to run most things. This leads to a certain narrowness of appeal, and can put off narrowness I think one perennial problem is that the same civic-minded group of people tend to run most things. This leads to a certain narrowness of appeal, and can put off people outside this self-selected group. I don't really know how you solve this!	10/9/2017 3:24 PM
106	More information in Parish News	10/9/2017 3:15 PM
107	Didn't know about village website, but will use it now	10/9/2017 2:35 PM
108	If more people looked at the village website and it is kept up to date with village activities	10/9/2017 2:22 PM
109	I'm not on Facebook but I'm aware of everything that goes on	10/9/2017 2:00 PM
110	It couldn't, you do all you can	10/9/2017 1:46 PM

112	Direct communications through doors. Leaflets etc	10/9/2017 12:53 PM
113	Flyers through doors	10/9/2017 12:45 PM
114	Improved website	10/9/2017 11:57 AM
115	Notice in pub.	10/9/2017 11:51 AM
116	I'm happy with the info I get	10/9/2017 11:49 AM
117	I don't Sorry!	10/9/2017 11:42 AM
118	With a mast in the church so that everyone has mobile coverage (main networks)	10/9/2017 11:11 AM
119	On-line version of Parish News. Better use of email. It is wrong that everyone's emails (addresses) are cc in the email.	10/9/2017 10:58 AM
120	Parish News should be electronic. Further use of social media. Email: however some Villagers	10/9/2017 10:47 AM

are in the habit of copying all contacts into the email. Beware of data protection as everyone's emails are being shared.

121	Village notice board in a clear and accessible location. More flyers.	10/9/2017 10:30 AM
122	Online and revamp Parish magazine	10/9/2017 10:26 AM
123	I think they are pretty good already, though more use could be made of the village website.	10/9/2017 10:12 AM
124	Keep the website up to date!	10/9/2017 10:11 AM
125	Social media/FB Village website Publicise social media/website more	10/8/2017 11:23 AM
126	Club/grp initiatives Invite people who have moved into the village in the last year to meet some of the community. This could be done on a quarterly/six monthly rolling programme A welcome in the local newsletter is OK but people need to be encouraged to meet	10/8/2017 11:16 AM
127	There is too much word of mouth. If you don't use the village shop or have the Parish News, work unsocial hours you come out of the loop very quickly - then had to get back into the 'clique'	10/8/2017 10:58 AM
128	Flyers/posters More advertisement of village green Frequent flyers/posters about what is happening	10/8/2017 10:38 AM
129	Village website Strong village website/webcam?	10/7/2017 7:03 PM
130	Club/grp initiatives New village notice board will help keep people informed but not sufficient to encourage participation A 'Welcome to the Village' face to face contact alongside The Villager, ? on a street by street basis using street volunteers, a welcoming party Good neighbour scheme	10/7/2017 12:51 PM
131	Flyers/posters Posters/adverts in pubs	10/7/2017 10:06 AM
132	Satisfied I think it's OK	10/7/2017 9:53 AM
133	Satisfied I think on the whole communications are good in the village.	10/6/2017 7:41 PM
134	Don't know	10/6/2017 7:21 PM
135	Don't think you will improve communications, as people's lives change with easier access to events, the coast, Norwich, London etc. Bring back the 60s and 70s	10/6/2017 6:59 PM
136	Flyers/posters As we live outside the main part of the village we don't seem to get much information via our mail box	10/6/2017 6:47 PM
137	Flyers/posters Being out of the village we don't get any flyers delivered	10/6/2017 6:36 PM
138	Club/grp initiatives Activities could/should be shared with other local villages in form of cross-village interaction or publication involving all villages within a set radius to promote more interaction with each other	10/6/2017 10:17 AM
139	Direct communication door-to-door for people who are unable to get around	10/6/2017 9:37 AM
140	I feel that the village currently does a good job at promoting events. Perhaps even more posters may help but in general all activities are clearly advertised.	10/6/2017 9:26 AM
141	More young people taking part in village life! to run things, but they are all busy trying to make a living	10/5/2017 10:28 AM
142	Definitely more notice to the community of the New Buckenham Facebook page and the ability to contribute	10/5/2017 9:58 AM
143	Keep in touch with the above (referring to previous question about usual sources of information)	10/5/2017 9:39 AM
144	Quiz nights - gets everyone together and chat and find out other events	10/5/2017 9:30 AM
145	Keep Parish News running - it is very good	10/5/2017 9:16 AM
146	Perhaps an informal "mardle" one evening a month in village hall with everyone welcome	10/4/2017 6:45 PM
147	The Parish Council noticeboard should be in a better position and at a height that it could be easily read	10/4/2017 6:29 PM

148	Village noticeboard in prominent position and at a height that can be read easily This could show regular events, and the days and times they take place	10/4/2017 6:05 PM
149	Having larger notice boards	10/4/2017 5:56 PM
150	Social media	10/4/2017 5:31 PM
151	More detailed advertising of classes, activities at village hall - don't know what's going on when e.g. sewing group - who to ring to join etc Possibly a more detailed timetable of month ahead in Parish News	10/4/2017 3:26 PM
152	New phone mast	10/4/2017 3:08 PM
153	Difficult to know how to engage people who just don't take note of any publications - photos perhaps on the website to encourage those who 'missed out' to ensure they join in next time.	10/2/2017 4:31 PM
154	Getting young people involved	10/2/2017 4:14 PM
155	More connectivity of information (joined up)	10/2/2017 3:54 PM
156	Greater use of the new village notice board Greater use of the Parish News More publicity about the existence of social media groups	9/22/2017 11:39 AM
157	Put Parish News online to reduce production costs and make archive copies readily accessible. Promote village Facebook page to increase membership then use this to promote events in tandem with other media.	9/19/2017 11:49 AM
158	I think that social media and network is probably the way ahead.	9/6/2017 8:10 PM
159	A large chalk board on Green/ external wall of pub/ wall of shop etc which could have weekly events written on it and other special notices. (In non water soluble chalk of course!)	9/4/2017 11:59 AM
160	Despite having ticked never for both the village website and social media I do wonder if offering the Parish News as a monthly mailout as well as a printed version would help.	8/30/2017 8:15 PM
161	More dialogue amongst villagers	8/23/2017 12:36 PM
162	No opinion	8/22/2017 9:29 AM
163	I think current methods are sufficient	8/21/2017 8:40 PM
164	Anything that tends to bring people together and strengthens the community will help.	8/20/2017 10:14 PM
165	It seems that one-to-one communication works elsewhere. The Parish News is a shadow of it's former self and could be made more interesting, with, perhaps, general articles, not just announcements.	8/20/2017 6:57 PM
166	no answer.	8/20/2017 10:30 AM
167	I think it's adequate.	8/19/2017 10:48 AM
168	I have not looked at website or Facebook but will try and do so in the future, so maybe try and advertise these more.	8/18/2017 11:41 PM
169	Village WhatsApp group chat	8/18/2017 4:59 PM
170	I feel communication is good. Some people appear to be quite proud of the fact that they never read Parish News etc. and you can't legislate for that.	8/18/2017 3:29 PM
171	Direct emails to villagers on a mailing list	8/17/2017 10:30 PM
172	Can't think of any	8/17/2017 10:18 PM
173	More frequent posts on social media than there currently is	8/17/2017 9:29 PM
174	More members on Facebook page	8/17/2017 9:21 PM
175	Emails, monthly meetings	8/17/2017 2:43 PM
176	I do not think there is an easy answer. Everybody gets a copy of the Parish News which is very informative but clearly not everyone reads it. Should we also put it on the internet? We could encourage everyone to let us have their email addresses (accepting that there are a	8/17/2017 12:05 PM

umber of people without one) and then People organising events could email everyone with the details and requests for help/contributions.

177	New notice board will help. More social activities open to all and families where events, help, support, etc could be communicated	8/17/2017 10:42 AM
178	By email	8/16/2017 11:28 AM
179	articulation of the Facebook page - only by accident I came across	8/15/2017 8:35 PM
180	Communications seem to work well. With consistent posters and boards set up on the green to catch my attention!	8/15/2017 6:09 PM
181	Have an up to date list of families with children.	8/14/2017 2:47 PM
182	Because this is such a small village I would prefer a notification to be dropped into letterbox or inserted in NB Newsletter (not as a full page ad but an A5 leaflet which can then be kept as a reminder (not dumped with the newsletter)	8/14/2017 2:44 PM
183	If people wish to participate they will find out for themselves	8/13/2017 7:12 PM
184	As above Social Media. Possibly not so useful or popular for some of the older residents but as an extra communication channel would prove useful if managed properly.	8/12/2017 12:43 PM
185	Regular basis for activities. Eg Thursday night always a certain thing.	8/12/2017 11:24 AM
186	Better info on village websites needed	8/12/2017 10:03 AM
187	Improvement of websites	8/12/2017 9:38 AM
188	More use of social media to communicate more effectively with the younger people in the village.	8/10/2017 9:58 PM

Q17 Where in the village is it particularly difficult for people to get about, e.g. with reduced mobility, poor sight or using a pushchair?

#	RESPONSES	DATE
1	Near village hall	11/8/2017 6:23 PM
2	Footpaths all around the village Better parking facilities as it causes congestion and make it very dangerous for children on bikes	10/18/2017 10:48 AM
3	Church Street	10/18/2017 10:12 AM
4	Rosemary Lane, upper and lower especially with lots of weeds Cars parked on pavements (King Street) Cobbled pavements West Chapel Street (no pavements) Entrance to Inn on the Green (coarse gravel in car park)	10/18/2017 9:38 AM
5	King Street because of cars parked on pavements and plant pots. Narrow pavements leading to play area (by Beech House and Beauty Box). Queen Street.	10/17/2017 7:56 PM
6	King Street	10/17/2017 5:54 PM
7	Everywhere - mostly no pavements/cobbles//gravel but King Street (and other) pavements heavily obstructed (flower pots/steps/bollards/parked cars etc)	10/17/2017 5:45 PM
8	Chapel Street corner is dangerous. Church Street pavements are pretty but impractical.	10/17/2017 5:36 PM
9	Pavements where cobbled. Pavements where obstacles intrude especially at night. Footpaths by their very nature are difficult for people with mobility issues.	10/17/2017 5:21 PM
10	Church Street from St Martin's Gardens to Lovells is very rough and uneven. The approach to the Play park is rough. Not enough dropped kerbs for wheelchairs. Various cobbled pavements.	10/17/2017 5:11 PM
11	No difficulties encountered	10/17/2017 5:03 PM
12	At night difficult to get around due to no street lights. Sharp corner near the park is hard with pushchair, narrow pavement	10/17/2017 3:23 PM
13	Other public footpaths through fields around village hall.	10/17/2017 2:55 PM
14	Chapel street outside the Chapel itself at the 90 degree bend is pretty tricky for anyone whether in a car or walking.	10/17/2017 11:53 AM
15	The park: it would be good to have a paved path for easy wheelchair access for kids and carers etc as well as pushchairs.	10/16/2017 8:10 PM
16	Church Street, The Green, Chapel Street, King Street	10/16/2017 7:44 PM
17	Church Street	10/16/2017 7:36 PM
18	No views about this whatsoever.	10/16/2017 6:47 PM
19	Nowhere, I think it's fine.	10/16/2017 10:44 AM
20	Queen St - narrow pavements but possible alternative route round Boosey's Walk.	10/15/2017 6:00 PM
21	I don't know - all seems pretty should to be honest.	10/15/2017 1:18 PM
22	I don't Know	10/15/2017 1:11 PM
23	Post Office corner. Pavement bollards not visible for reduced eye-sight. Church St cobbles impossible for wheelchairs and slippery in winter.	10/15/2017 1:01 PM
24	Post Office corner (both sides) Pavement bollards - Queen Street	10/15/2017 11:11 AM
25	Cobble stones in Church St are impossible for push chairs and wheelchairs and are dangerous for the elderly. Approach to village hall (see above). Crossing the road anywhere along Kings St, Queen St, village green and outside Beauty Box.	10/15/2017 11:01 AM
26	Church Street cobbles, I would love if regular footpaths are tidied and cut to nicer standards when walking.	10/15/2017 10:28 AM
27	Some paths are narrow. The cobbled ones are difficult to walk on or push wheelchairs on. In many cases one has to walk in the road, a further worry if Chapel Street is used as a 'rat run' to avoid King Street the those cars speed through. Children walk along Chapel Street for school bus (which often has issues getting past/through village,Chapel Street in particular. Traffic calming may help.	10/15/2017 10:15 AM

28	Church Street. Unable to walk on cobbles.	10/13/2017 6:30 PM
29	King Street and Chapel Street due to cars parked in bad places.	10/13/2017 6:24 PM
30	King Street	10/13/2017 12:52 PM
31	Footpaths should be better maintained. Maybe lined routes where no pavement or path exists next to roads or in them; but mus come with speed calming signs within the village.	10/13/2017 12:48 PM
32	On all sharp bends with narrow pavements. Also a problem for the motorist.	10/13/2017 12:34 PM
33	Nil	10/13/2017 12:13 PM
34	King Street pavements can be narrowed by flower pots and cars parked.	10/12/2017 4:19 PM
35	The castle footpath needs to be maintained better.	10/12/2017 4:08 PM
36	Unable to comment.	10/12/2017 1:03 PM
37	Crossing the road at any of the sharp bends is dangerous. Reducing traffic or adding a crossing may help.	10/12/2017 12:58 PM
38	Cannot think of a specific area/s.	10/12/2017 12:49 PM
39	I have no personal knowledge so will leave for others with experience to answer.	10/12/2017 12:29 PM
40	The road that runs through the centre of the village by the green,no proper footpath. Also along the street where the church is. No path.	10/12/2017 10:26 AM

42	King Street parking on pavements.	10/12/2017 9:52 AM
43	Where Grange Road, Chapel Street, Boosey's Walk and the B1113 all meet.	10/12/2017 9:50 AM
44	King Street is probably a hazard for visually impaired and disabled due to cars on pavement and planters etc on pavement.	10/12/2017 9:39 AM
45	Cannot comment as not aware of any problems which affect me or people I know.	10/11/2017 10:54 PM
46	Only really the off road/countryside/footpaths are difficult though most pavements and footpaths are narrow and uneven	10/11/2017 8:30 PM
47	the path leading up to the play area needs to be wider and footpath behind the village hall leading to the play area	10/11/2017 8:20 PM
48	Generally I think mobility access is reasonable.	10/11/2017 8:16 PM
49	Footpath behind village hall leading to the cricket field	10/11/2017 8:12 PM
50	Pavements on Queen Street. Cobbled pavements.	10/11/2017 8:08 PM

68	The footpath to the play area/cricket pitch is very narrow	10/11/2017 3:41 PM
69	King Street to village green could be hazardous due to 'through flow' of traffic and heavy vehicles.	10/11/2017 3:25 PM
