

## NEW BUCK BIZ IS BACK AND NEEDS YOUR SUPPORT

At last businesses are opening again.... Now it's over to you to spend!! After so long closed or semi-closed, doors have opened again -inevitably with new rules : sanitiser, waitress service, arrow-following, card payments etc.

**ADVICE TO CUSTOMERS: CHILL!** Allow a little more time than usual for your purchasing. Don't expect to dash in and out as we used to in the frantic olden days. **AND** ask if you're not sure how the system works.

**ADVICE TO BUSINESSES :** To control the excitement and reduce stress, ensure you explain your system as clearly as possible. **YOU** may have been planning it for weeks, but **WE**, your customers, have no idea how it will work. So get that happy, helpful smile on and explain, by word of mouth or with clear posters.

**ANGEL CAKES ARE FLYING HIGH WITH A NEW LOOK!** Cake-decorating supremo Stacey turned her talents to decorating the shop on King Street, New Buckenham, ready for the BIG DAY.(Parents are always key when it comes to the crunch...so thanks Mum!!) It all happened at 10 am on Tues

18th May. By noon the place was mobbed! No waiting on the pavement. Just walk on in, sanitise your hands and sign up to the track and trace register. Sit where you like. It's all table service....and upstairs loads more room. The Keep Fit class from the village hall were upstairs by 1045... I

do hope they were choosing slim-line cake! **Normal opening times: Tues-Sat 10.00- 16.00.**

Be warned: the kitchen closes at 1500 so don't leave it too late to fill your tum!

**EAT, DRINK AND BE MERRY AGAIN AT THE KING'S HEAD** Danny and Jen have redecorated inside and out. New outside seating with canopies and inside a mini make-over with a necessarily downsized 39 covers. On May 18th, Waitress Bella was at the ready...as Dan rushed outside to ensure umbrellas were up because (who organised THIS bit of the planning??!!) at noon thunder and rain crashed in BUT ALSO

hopeful rainbows! Here's the plan: In future, Mondays will be recuperation day for D & J, so the pub will be closed.

**OPENING TIMES: Tues-Saturday: Noon - 11pm.**

**Sundays: noon till 6pm. FOOD: FROM 29th May lunches & evening meals.**

Except Sundays-Lunch only. **TAKE AWAYS:** Friday nights from 21st May.

**COVID MEASURES:** Scan the track & trace on entry with mobile phone. Rule of 6 i.e. a bubble per table OR two households (can be more than 6) Face masks on entry-you get to take them off to eat and drink!!! Table service only...no waiting at the bar. Sanitisers everywhere. One way system. Toilets open. **BOOKINGS ADVISABLE TO AVOID DISAPPOINTMENT** for meals.

**Opening times: Mon-Sat 0700-1800. Sun 9-Noon. Post Office Wed 1030-Noon**

**WHY NOT TREAT YOURSELF AT KOKEDAMA?** Make a day of it! Maybe it's time to pop into Kokedama and check out
